

LMC The Cornerstone

We aim to be an inclusive Christian community, with a deep commitment to justice and peace, which affirms and values everyone.

The Cornerstone is a community hub in the heart of the City, offering a safe place and pastoral care and support to the most vulnerable and disadvantaged members of our society.

The Cornerstone is part of Lancaster Methodist Church, which owns the building, and is also home to several organizations which we feel are in tune with our ethos. Principle among these are Lancaster District Community and Voluntary Solutions, Lancashire Youth Challenge and RAIS (Refugee support) all of whom are licensed hirers of office space. But there is a vast array of other organizations which hire rooms or office space on a regular basis and which contribute to making this a wellbeing hub.

The Cornerstone is also a community in which personal relationships are developed and where Christians work out their commitment to love of God and neighbor through their presence, words and actions, and through a weekly rhythm of worship and reflection opportunities.
